Hi Fred and Tracie,

Attached is the final draft of the initiative packets. Can you take a look and let me know if you notice any errors? Once I receive an email back I will send over the packets.

Thanks,
Brody

Hi Fred,

Please also include a statement that indicates you do not plan on amending the language of the initiative. I found the statement indicating you are not appealing the fiscal impact statement, but somehow must have missed the statement on the amended language.

Thanks,
Brody
